CLOSURE DESCRIPTION DOCUMENT FOR THE BUILDING 788 CLUSTER DECOMMISSIONING PROJECT – KAD-057-98

Enclosed please find three copies of the Closure Description Document (CDD). The extra copies are to be formally forwarded to the Regulatory Agencies for their review and comment. As discussed earlier, a copy was delivered to James Hindman of the Colorado Department of Public Health and Environment (CDPHE) on Thursday, November 5, 1998.

The project is looking to receive comment from DOE and the State by December 11, 1998, so as not to impact the schedule or the cost of the project. If there are any concerns regarding this request, please contact me at extension 6034 as soon as possible to work through any issues.
